

MŪ411 SWIVEL TABLE

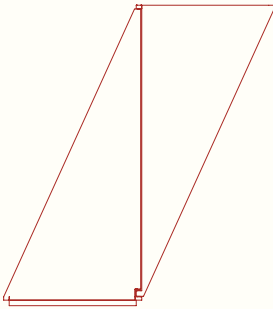

Specifications Sheet

MŪVEK

FRONT VIEW (3D)

SIDE VIEW

The sculptural forms of the MŪ411 swivel table lend themselves to a functional piece with a practical rectangular surface. The weight of the powder coated mild steel structure keeps the base stable, while the discreet swivel mechanism allows for a smooth 90-degree rotation, with magnetic stay in two positions, so the object can be used as an ad-hoc reading or side table.

PRODUCT
Table

ENVIRONMENT
Indoor

DESIGNER & YEAR OF DESIGN
Chris van Niekerk, 2021-2022

PRODUCTION PROCESS
The parts of the MŪ411 are manufactured from mild steel of various thicknesses. The steel sheets are welded together and powder coated. Finally, the assembled piece is inspected for functionality.

MATERIALS
Mild steel, powder coated.
