

MŪ192 CHAIR

Specifications Sheet

MŪVEK

The proportions of the MŪ192 chair allude to the mid-century designs of Italian masters such as Gae Aulenti, Vico Magistretti and Tobia Scarpa, who all explored the concept of the low-slung occasional chair. The simple detailing of the rounded back- and armrests take their cue from the MŪ61 lounge chair, while the low frame creates a modest appearance.

PRODUCT

Chair

ENVIRONMENT

Indoor

DESIGNER & YEAR OF DESIGN

Chris van Niekerk, 2021-2023

PRODUCTION PROCESS

The MŪ192 is made of solid timber. The parts of the structure are cut from prime quality timber, with some elements being the product of a computer controlled process. The chair is carefully hand-assembled and hand-finished at the joiner's workshop with a special attention on the precise details of the the pronounced angles and junctions of the piece.

MATERIALS

Solid oak or walnut (type of timber depends on the order)
