FRONT VIEW (3D)

The MŪ311 coffee table draws inspiration from the planar qualities of the MŪ11 bed's base structure and reinterprets the design with a combination of steel and stone. The way in which the stone tabletop is affixed to the base is exaggerated by the clasp element protruding from the steel support, a detail first explored in the MŪ16181 shelving system.

PREASSEMBLED

The MÜ311 table can be flat-packed. The steel structure is easily put together with pins.

As the tabletop is made of solid stone, its weight requires professional assistance with transport and installation.

Our shipping fee for Western Cape deliveries includes on-site assembly. For other locations, our team will make the suitable arrangements in order to provide the same service on the day of delivery.
