CARE AND MAINTENANCE

The metal used for this product will oxidise with use, age and environment, resulting in the evolution of a natural patina. To keep the original bright finish of your product, we recommend occasional cleaning with Braso, applied to the surface with a soft and clean cloth.

Please allow 30 minutes for the metal to cool down before touching or cleaning the object after use.

Find recommendations for cleaning and care at:
www.muvekstudio.com/care-guide.

WARRANTY & REPAIR

MÜVEK provides a one-year warranty on all products against structural defects, defects in materials and workmanship.

Alongside the standard warranty period, MÜVEK provides repair services in case an item is damaged through improper use or if the warranty period has lapsed.

Please note that the one-year warranty and the repair service are subject to terms and conditions, which you can download from
www.muvekstudio.com/terms-and-conditions.
